A Common Error

The Same Mistake Is Made by Many Maine People.

It's a common error. To plaster the aching back, To rub with liniments rheumatic joints, When the trouble comes from the kidneys.

Doan's Kidney Pills cure all kidney ills. Peter McQuade, 49 Park St., Lewiston, Me., says: "I was a sufferer from kidney complaint for many years. It was worse from time to time, some of the attacks being really torturing. I used plasters and various medicine but in spite of all my efforts for relief I got so bad that I could not walk for any distance, and was unable to get up or down stairs. Just after I had spent five dollars for a remedy that did me no good, I learned of Doan's Kidney Pills, got a box at a drug store and began using them. In a short time they had done me more good than all the other remedies I had previously used. I take a few doses occasionally, finding that they keep me in good health."

The Old Willow Tree.

(Sunday River.)

By the roadside, tall and grand stands the dear old willow tree, 'Neath whose shade so many happy hours were spent; As with childish glee we climbed to its loving sheltering arms, And with playful swing with present joys content.

The memories that cling round that dear old willow tree, Bring faces long since vanished from our sight; We hear the robins chirp as in days of long ago, While fond dreamy haze food memories we renew.

With misty eyes we see the old familiar farm, The little brook we loitered by, in blissful play; The shady maple grove, the line of stately firs, And hear again the bobolink's notes so gay.

Again we seem to hear dear mother's loving voice, Calling, "Come, 'tis time to cease your play." A swing, then, just one more to make the day complete, The old tree'd seem to nod, and say—

To-day the old tree stands, a sentinel, tall and grand, While loved ones' paths are scattered far and wide; Some sleep softly side by side, not far from the old farm, Free from sorrow and all cares that life be- deemeth.

But with us still life shall end, we'll love the dear old friend, While since our memory has stood against time, We'll people it again with sisters, brothers, friends, And rest like childhood free from care and all alarm.

ALOINA KENDALL GROVER.

The Oriole in May.

Sweet oriole! rare bird among the myriads, Thy tiny throat attune to praise and life, From out thy breast of gold o'erflows an an- thrill with joy the earth, and heavens rife.

Beneath the splendor of thy golden plumage, A loyal heart and true, beats in that breast; That meets alike the lofty and the gentle, As sways thy throat thy sweet song singing, Earth holds to-day no brighter spot for thee; Like dreams of home to an exile over the sea.

Building thy nest in faith, nor fear of truant, Weaving the moss and down from branch above, Resting thy trust on pledges in the heavens, When human life is taken in vain, O robin gold, thy passion still outpouring, A song of love that makes life sweet to live! Ah! woe the sad and bad and glad but hearken,

Thy life of song to inspiration give! When weary with the base and proud of spirit, And all the wrongs of life that make earth sad, O oriole, bright with deep-loud plumage, I wait in thy dear presence and am glad.

Simple Home Recipe.

Mix This Simple, Helpful Recipe at Home and Try It Anyway.

Get from any prescription pharmacist the following: Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces.

Shake well in a bottle and take a tea-spoonful dose after each meal and at bedtime.

The above is considered by an eminent authority, who writes in New York daily paper, as the finest prescription ever written to relieve Backache, Kidney Trouble, Weak Bladder and all forms of Urinary difficulties. This mixture acts promptly on the eliminative tissues of the Kidneys, enabling them to filter and strain the uric acid and other waste matter from the blood which causes Rheumatism.

Some persons who suffer with the afflictions may not feel inclined to place much confidence in this simple mixture, yet those who have tried it say the results are simply surprising, the relief being effected without the slightest injury to the stomach or other organs.

Mix some and give it a trial. It certainly comes highly recommended. It is the prescription of an eminent authority, whose entire reputation, it is said, was established by it.

A druggist here at home, when asked, stated that he could either supply the ingredients or mix the prescription for our readers, also recommends it as harmless.

HOW TO TELL IF YOU HAVE WORMS

THE REMEDY THAT QUICKLY EXPELS THEM

The common symptoms of worms in children and adults are: Pale faces, loss of appetite, loss of sleep, grinding of the teeth during sleep, vomiting, grinding of the teeth during sleep, swelling of the upper lip; hard swollen bowels; gripping or colic pains; also convulsions and many other unaccountable nervous symptoms, which, if not checked in time, lead on to something more serious.

TOOK DR. TRUE'S ELIXIR AND GOT WELL

SOMERVILLE, ME.
 DR. TRUE, DEAR SIR:—
 "For more than three months one of my children had been troubled with spells of vomiting and symptoms of fever nearly every week, together with canker-sores about the nose and mouth. I obtained, about two weeks ago, two bottles of your Elixir, and before the first bottle was exhausted the sores were entirely healed, and no appearance of his vomiting or fever-spells has ever returned. I really believe that the lives of thousands of children suffering from worms or canker might be saved by a timely and judicious use of your Elixir." Yours truly,
 J. L. HAMMERT.

This is only one of hundreds of such testimonials. This marvelous remedy has been made and sold by Dr. F. True & Co. for fifty-six years, and in all that time nothing but words of praise have been bestowed upon it. This is what Mr. Wm. Wink thinks of it.

AUBURN, ME.
 DR. TRUE, DEAR SIR:—
 "For the past seven years I have constantly kept a supply of your Elixir in my house, and it never failed to give prompt relief. It has been a great blessing to my children, and unsolicited I give you this tribute of gratitude, hoping the merits of your unrivaled family medicine may be widely known and appreciated." Very respectfully,
 CHAS. E. WING.

Even though worms may not be found present, Dr. True's Elixir tones up the stomach and liver. Read what Dr. J. Haley, of Brunswick, thinks of it:
 "It is a safe and effective remedy. For worms it has no equal, and is an excellent remedy for canker of the mouth and throat."

Dr. True's Elixir is sold by druggists everywhere at 25c., and \$1.00 per bottle. For booklet, "Children and Their Diseases," will be sent free by simply addressing Dr. F. True & Co., Auburn, Me. We have a special treatment for tape-worm. Send for free book.

Saturday, fire from burning brush piles just above the railroad bridge got away from those in care of it and burned up pretty near the lower end of the Mason Manufacturing Co's. yard, which is full of piles of sawed lumber. As the wind was blowing directly towards the mill yard it was feared that a small piece of land had been plowed where the river bank and railroad are nearest, so that it might have stopped the fire even if there had been no one to watch it. A line of hose was laid but did not have to be used.

Fifteen Years of Agony.

Will You Continue to Suffer from Catarrh in the Face of This Testimony?

"I suffered for fifteen years with catarrh troubles so bad that I had to leave the sea. I could not lie down at night to sleep, on account of the constant catarrhal dropping. I went to two different hospitals for treatment, but without any lasting benefit. I was constantly raising yellow and green phlegm, and the trouble was so unbearable and nauseating that I was ashamed to go out in company. I have used only two bottles of Hyomei, and have been cured by the remedy. It has made full and complete recovery."—Capt. Willard.

Hyomei is a dry, healing, antiseptic air, extracted from the Eucalyptus groves of Australia. It is a pleasure to use Hyomei, because you do not take it into the stomach, you simply breathe it in this germ-killing air, and relief is immediate, and complete recovery comes in a few days. Hyomei outfit, including an inhaler that will last a lifetime, costs \$1.00. If it does not cure your catarrh, asthma, bronchitis, coughs or colds, Nores Drug Store will give your money back. 20-21.

A Novel Idea.

It is free and deeply interests everybody who has aches or pains, or who is weak and sickly. Anyone can learn the surest and quickest means to get strong and well by accepting that splendid free offer of the great specialist in curing nervous and chronic diseases, Dr. Greene, of 34 Temple Place, Boston, Mass. He has established a system of letter correspondence through which all sick and suffering people can learn exactly what ails them, and how to get well, without expense and without leaving their homes. All they have to do is write to the Doctor, stating each symptom from which they are suffering, explaining their case thoroughly, telling just what the trouble is and what to do to be cured. He gives the greatest care and attention to every letter, and tells the cause of each symptom so plainly that patients understand instantly just what ails them. And all this costs nothing. It is a splendid opportunity for those who cannot afford the time or expense to go to the city. Dr. Greene makes a specialty of curing patients through letter correspondence. He is the most successful specialist in curing nervous and chronic diseases, and is the discoverer of that wonderful medicine, Dr. Greene's Nervura blood and nerve remedy. Those who write to him get cured.

The Best For BILIOUSNESS

Brunswick, Me., Oct. 1, 1906.
 "I have used the 'L. F.' medicine for years; in fact, never intend to get without it in the house. I think it the best medicine for biliousness that I have ever used." Respectfully yours,
 Mrs. S. C. Wilson.

The burden of living falls on the stomach. When it is overworked the liver becomes deranged and the system clogged. "L. F." Anodyne's Bitters assist nature so gently that the whole system quickly and quietly responds to its healing action. 35c. at your dealers.

CURE RHEUMATISM NOW.

This is the Best Time to Get Rid of the Disease.

Of all seasons in the year none is better than the present for the treatment and cure of rheumatism. While Neuralgic Anodyne is an unfailing cure for rheumatism at any season of the year, it will do good twice as quickly this month.

The Anodyne has a peculiar action, soaking through the pores of the skin to the aching tissues and throbbing nerves so that it does more good than any ordinary local application. At the same time, a small dose is taken internally which soothes and quiets the whole nervous system, and helps expel the Uric Acid from the blood.

Neuralgic Anodyne is so successful in curing rheumatism, neuralgia, headache, toothache, and all nervous and muscular pains, that dealers everywhere are authorized to refund the money if it does not do all that is claimed for it.

A large-sized bottle costs 25c. The Twitchell-Chapman Co., Portland, Me.

ABOUT CHECKS

When a person opens a checking account in a bank he does this. Instead of carrying his money around in his pocket or leaving it at home unprotected he places it in a bank where there is no danger of its loss. Then when he has occasion to use a part or all of this money he simply fills out one of the checks which the bank gives him and cashes it at the nearest store. If he has a bill to pay he draws a check for the exact amount and mails it to the party he owes.

The safety, convenience and simplicity of having a checking account in the NORWAY NATIONAL BANK OF NORWAY, MAINE should be known and appreciated by every farmer and business man in this section of the state.

Why Couldn't One Farmer Plant Both Yellow and Sweet Corn?

There won't be much sweet corn planted for the factory this year. Farmers are getting their eyes open to the idea it is better to plant yellow corn. That is the way it looks to us. When one bushel of our home raised corn is worth two of the moldy western corn, it is time to bring a halt. Of course there are a few who have a mania for planting sweet corn, but they know it is impoverishing their land. They know their corn is wasted at the shop and they know they are paying more for corn in consequence. I know of one man who has for years back planted quite an acreage of sweet corn. He has raised it this year and has purchased his seed from an up country farmer and will plant Indian corn for the future.

It may pay to buy corn instead of raising it but we do not believe it and don't want you to believe it. A man who kept accurate account of every item of culture, seed, etc., found his corn crop cost him less than eight dollars per acre. He is a good farmer. Suppose he raised a fair average crop of forty bushels per acre and it was sixty cents a bushel. This would mean twenty-four dollars besides the stalks and they are worth five dollars more than the hauling. If we subtract eight dollars from twenty-nine dollars it leaves the excellent profit of twenty-one dollars per acre. Let us lay our plans to raise a good crop of corn this season and have each acre richer than we ever before had it.

SOUTH HARRISON. A mysterious fire.

The buildings of Austin Lewis, who lives in the "Lewis neighborhood" at South Harrison, were destroyed by fire on the night of May 11th. The cause of the fire is a mystery and likely to remain so. The fire was under great headway, the barn being ready to fall in and the long shed that connected the barn with the house burning so rapidly that the flames were coming in under the kitchen door when Mr. Lewis awoke. He at once called to his mother, Mrs. Nancy Lewis, who was asleep but at his call she sprang from bed and with great presence of mind seized a part of her bedding and one or two articles of clothing which she carried out while Mr. Lewis took his trunk containing his papers of value and a few articles of clothing. Mrs. Lewis made several attempts to return to the building but her son restrained her tho' he returned but was driven back by the flames. The fire occurred about midnight and very few people knew about it at the time, it being under such headway that it was deemed useless to call help. Mr. Lewis' faithful horse, Charlie, also six cattle perished in the flames.

Although Mrs. Lewis is over eighty years of age she has borne up bravely under the shock of the fire and loss of her old home and all her possessions and is as active in raising and caring for poultry as usual. Mr. and Mrs. Lewis are at present living in the "A. Seavey" house owned by Mr. Wardwell and which she has kindly allowed them to use until Mr. Lewis can build on the old site, as he plans to do at once.

Bliss scored eight runs in the first two innings and Paris was obliged to play an up hill game which ended in a blaze of glory for them in the ninth inning. At the beginning of the inning Bliss had a lead of five runs and Paris had been unable to score in the three preceding three innings.

However they commenced to hit the ball and kept it up until eight Paris men had chased one another across the plate. This gave them a lead of three runs which was enough for they played steadily in the last half of the inning and Bliss could not score. The score:

Oxford Supreme Court.

There was a large attendance of attorneys and parties in attendance. Rev. Mr. Hannaford of the Methodist church offered prayer. Stanley Bisbee, esq., of Rumford Falls was chosen foreman of the first jury and Fred J. Rolfe of the same town of the second jury. On the call of the docket a large number of cases were put on the trial list, but few cases were for trial.

Thursday morning the action of H. V. Ricketts against C. G. Price, et al. was begun. It is an action on account annexed for goods. The action has been before an auditor.

Defence is that the goods were weighed on scales which had not been tested according to law. The case did not go to the jury, but the court ruled on it and it goes to the law court on exceptions to be decided on the legal point involved.

The only case tried was that of C. B. Cummings & Sons vs. A. B. Jordan. This was an action for debt in trespass representing the purchase price of a tract of pine timber and retaining \$500 thereof. It was tried before a jury on Friday who found the defendant guilty and assessed damages to the amount of \$335.33. Barnes and Swasey for plaintiffs. Kimball & Son for defendant.

W. McKay vs. W. N. McCrillis. Gleason & Blanchard for plaintiff, Stevenson for defendant. This is a case in which McCrillis signed a paper agreeing to pay personally a bill of McKay's against the Mt. Gilman Mining Co. if McKay would not bring suit. The court ordered a decree for the plaintiff, the amount being \$75.00.

Seventy-four cases on the continued docket were finally disposed of, only a few less than at any regular term.

The breach of promise case of Ellen Seward of Rumford vs. Thomas L. Dunphy of Houlton was taken up in the supreme court, Friday, and Mr. Dunphy was defaulted in \$200.

There were twelve divorces in all.

Jennie Brown of Rumford from Harry Brown of Rumford, cruel treatment, minor children to mother.

Martha Floyd of Peru from Henry F. Floyd of Rumford for adultery.

Annie M. Corson of Rumford from Wallace L. Corson of parts unknown, cruel treatment and intoxication.

Charles D. Cushman of Mechanic Falls from Maud M. Cushman of Norway, adultery.

Wallace S. Taylor of Roxbury from Isabel T. Taylor of the same town, cruel treatment.

Philomena Kousen of Rumford, intoxication minor children to the mother.

Ruth E. Sanborn of Hiram from Chester B. Sanborn of Hiram, intoxication, name of child changed to Ruth E. Corson, her maiden name.

Chas. F. Cotton of Paris from Amanda M. Cotton of Durham, desertion.

William H. Stone of Norway from Theodosia Viola Stone of Norway, desertion, minor children to the father.

John Bennett of Paris from Lella Bennett of Paris, cruel treatment.

John H. Jones of Oxford from Bertha E. Jones of Madison, cruel treatment.

Clara E. Farrington of Mexico from Abel Farrington, Jr., gross and confirmed habits of intoxication, custody of minor child to mother, with \$3 a week for its support in lieu of alimony.

The petition of Ervin A. Bean of Auburn to be released from the payment of \$10 per month to Grace M. Bean, who had been divorced from him in 1906 in this court, was granted, it appearing that she had remarried.

One jury was finally expensed Friday morning and the other Friday night. The small amount of business remaining was cleaned up Saturday and the term adjourned.
